Omnia
Your People. Discover. Engage. Evolve.

HIRE. DEVELOP. RETAIN.

Are You Making Evidence-Based Talent Decisions?

Building the right team should feel easier. With more than 40 years of proven expertise and personalized attention, Omnia helps you make sound talent decisions you can trust.

Fuel Business Growth
with the Right People in Every Role

Your most valuable asset is your people. When you align roles with what people are naturally wired for, hiring gets smarter, retention gets stronger, and growth gets easier.

We specialize in selection and retention tools geared specifically toward small and medium-sized businesses. Whether you need insight into behavioral traits, cognitive ability, or grammar skills, our simple, data-driven workforce assessments help you hire with confidence and develop the team you have, at a price that fits your budget.

Far beyond the hire, we are your partner through all stages of the employee lifecycle, with practical and personalized guidance built in.
